1 Underline some of the following time expressions in the chapter. By 'time expressions', we mean those words which define the time when an action happens.

Note: some of these words, especially 'when', aren't always used in this way:

Until

When

As soon as

Before

After

By the time

Once

While

In case

COMPREHENSION

2 In this lesson, we're going to be thinking about time and time expressions. Make a chronology of the events which happened:

Two days before the feast of the Passover... _____

The first day of unleavened bread [the Passover feast]... _____

The Passover evening... _____

When they finished the meal... _____

Later that night... _____

When the cock cried a second time... _____

GRAMMAR

Time expressions, e.g. until, when followed by the present simple, have a future meaning- e.g. "the day when I take the cup again in the kingdom of God" (verse 25). This is something that Jesus will do in the future.

Find examples of this in the chapter. There is one example of it somewhere in the following groups of verses:

Verses 12-14 [With when]

Verses 29-31 [With before]

Verses 26-28 [with after]
