HEBREW APP / ISRAEL

Finally, after so much frustrating work, we've been able to launch the Bible Companion app in Hebrew.

For Apple / iOS at <https://apps.apple.com/gb/app/messianic-hebrew-bible/id6755955430>

For Android at <https://play.google.com/store/apps/details?id=he.carelinks.bc>

Do share it around with any Hebrew speakers you know, and maybe leave a 5 star review and nice comment on it on the stores. The whole purpose is to help Jewish people, especially Hebrew speakers in the land of Israel, to learn about and accept the Lord Jesus as their Messiah. We believe that to some degree the timing of God's operations in the last days depends upon this crucial factor- of when and whether and to how great an extent the Jews accept His Son. Advertising the app within Israel is expensive but we're open to your donations to get the word out to Israeli society as far and wide as we can. The great thing about apps is that you can quietly have them on your phone and use them discreetly. As Jewish society currently is fairly hostile to the idea of accepting Jesus as Messiah.

Here's a possible prayer to pray:

Heavenly Father, God of Abraham, Isaac, and Jacob, we come before You with a heart for Your people, Israel. We ask that You would pour out a spirit of grace and supplication upon them. Please use this app to reach the right people. All depends upon You. Remove any stony hearts and replace them with hearts of flesh that are sensitive to Your voice. We pray that the eyes of their understanding would be enlightened so they may see the truth of Your Word and the light of our Lord Jesus as Your Messiah. We ask for a national turning back to You. Please direct the right hearts and eyes to Your word in this app. Do what we cannot do. This really is a feeble effort to reach out to Your people, but please, please, use it. We know how much love You have for Your people and how much You want them back, and we are on Your side in this, please be a worker together with us in our appeal to them. For the sake of our Lord Jesus and His love for us all, Amen.

Yesterday 17 of January we have another new homeless brother baptized, DAUD. He has been joining the bible classes for homeless for 2 months. The result of the work of bros Danur, Agus and Suratman. They demonstrating Matthew 28.(Baptism is not the finish line. It is the beginning). Finally 3 new baptized bros found bro. Daud Mitono. Having Bible class 3 times a week. From 18.00 to 20.00 but sometimes continued for discussion until 01 or 02 a. m. They decide in their minds, being helped to help others, being ministered to, to minister to others. May God keep blessing their work for the glory of God.

UKRAINE

As reported last week, the joy, light and warmth brought to that humble family home of sister Svetlana's in Ukraine... is hard to put into words. All because of a generator [along with fuel for it]. They sent a video of the wonderful piece of machinery in operation even at -20 C [-4 F], it's at <https://youtu.be/iciMRIVAAzA>

They really are so very appreciative, having lost their family home near the front line to a direct hit.

One thought: All wars end at some point. After this one, if the Lord stays away, there will be a huge call to "Rebuild Ukraine!", appeals for funds and help etc. BUT- right NOW is the time our brethren and sisters need help. Right now. This is their time of acutest need. Please, do support this work all you can.

And a special request to pray for brother Alexei. Baptized his mum Lena about 30 years ago and him about 20 years ago. Sister Lena lives in a high rise apartment block with little electricity and heating, now partially sighted and with some dementia. Alexei didn't live with her but looked after her. He was arrested and forced into the Ukrainian army, and is now against his will on the front line. We did have a brief chat and he sent a photo of how he is, extremely cold at -20 C [-4 F] and in constant danger of his life. You can see how much he's aged comparing with the photo of us with him and his mum just a few months ago. Please do pray for him.

Do come along to the amazing Croydon Church in a Pub / Carelinks retreat weekend March 13-15 Lord willing! We have Chris & Marilyn Rodwell from Knowle & Dorridge ecclesia presenting, and Neil & Esther from Tamworth ecclesia kindly doing the catering. Everyone who's come to these weekends has found them an unusual meeting of really wonderful enthusiastic ordinary British people from so many backgrounds, eager to learn more. We're open to donations to help those who can't really afford to attend. We take up a collection at the event, requiring about £150 / person to break even, but we don't raise anything like what's needed. But we always say, we'd rather see you than your money. Those recently baptized really need this weekend to grow

spiritually and get to know others in the Lord's body. And do come along yourselves, pray for us, and encourage others to attend!

This week we travelled to the West Midlands to baptize TOM, yet another 30 year old British man who has turned to God, Jesus and the Bible in recent years, and came across our Pub Church meetings online. He grew up with atheist parents, workers in a Birmingham factory; but he always wanted to turn to God and Jesus, and so bought himself a Bible and started the journey. We spent a great evening together. Tom is a builder who spends his spare time hiking and camping in remote parts of Scotland with his dog, and has picked up some amazing rare stones including some quartz with a tiny bit of gold in it, certified by a jeweller. He gave it to the utterly fascinated Daniel and David as a thank you present for his baptism. Indeed his home is just full of really fascinating things. He later texted that it was his best day, being baptized. He's just so grateful.

With love from your brothers and sisters of Carelinks
