

## September 2025 Italy, Ukraine, UK

### ITALY

We thank God for a brief time in Sicily to baptize BLESSINGTON another Italian-African who has turned to the Lord in spirit and truth.

Brief video short at [https://youtu.be/l8yQ\\_-sP\\_rg](https://youtu.be/l8yQ_-sP_rg)

Our relationship with this group goes back nearly 25 years, a testament to the power of keeping relationships going, providing literature and support when and as needed.

We also caught up with Silvana and family, one time attenders at pub church in Croydon, who have now emigrated to Sicily and working so hard to farm the rather barren land they have on the upper slopes of Mount Etna. They've made huge progress since we were there last, building a large chicken run and in process of making a rabbit section, planting fruit and nut trees etc. - and holding on in faith, which is the main thing.

### UKRAINE

We're planning the next trip there in late October / early November Lord willing and appreciate your prayers at this planning stage, seeking who and what to prioritize in a very needy set of situations there. All your material support has been so much appreciated.

### UK

Such a truly happy time again at The Orchard Pub on Sunday and afterwards we had a happy time together baptizing our dear friends FRANK and CATHY, after a long time attending with us at the Pub.

Also delighted to report the baptism of ANDREA in Wales.

*And another reminder of our upcoming retreat weekend November 5-7 at Carrotty Wood, Kent.*

*Do come along!! It's been amazing every time we've done it.*

### PRAYER POINTS

- For those recently baptized
- For our work in Ukraine
- For all the lonely ones and twos everywhere in the world as we love and serve and wait for our dear Lord Jesus
- For wisdom in coping with the large numbers we are experiencing at our Sunday meetings in the pub in Croydon as we are really getting too many for the pub

**With love from your brothers and sisters of Carelinks**
